SALE OF 2022 UNIFIED TERTIARY MATRICULATION EXAMINATION (UTME) AND DIRECT ENTRY (DE) APPLICATION FORMS IN NIGERIA AND FOREIGN COUNTRIES

The Joint Admission and Matriculation Board (JAMB) is responsible for the administration of the Unified Tertiary Matriculation Examination (UTME) and Direct Entry (DE) application forms in Nigeria and foreign countries. The purpose of this document is to provide guidance on the application process for the 2022 UTME/DE registration, including the steps for retrieving profile codes and self-service options. The document also highlights the importance of maintaining security for profile codes and other personal information. The process for retrieving profile codes and other personal information is outlined, as well as the steps for completing the registration process, including eligibility checkers, online support, and contact information for any queries. The document emphasizes the importance of following the guidelines provided by JAMB to ensure a smooth and secure registration process for all candidates.
